Eveniment. 10 iulie 2025. Comunicatie cu o creatura invizibila prin telepatie. Eu nu sunt gandurile tale. Eu sunt real. Eu nu sunt poveste. Eram in curte la o serbare scolastica. 1000 de persoane. Eram inconjurat de persoane. O fata (doamna) cu rochia rosie si alb spre partea dreapta. La 30 de centimetri distanta. Aveam in gand ca cineva o atinge pe bratul stang mai jos de umar. 10 centimetri circa. Putea fi alta persoana. Dupa cateva secunde ajunge un barbat si o atinge exact acolo. Ai spune ca a gasit-o. Cand s-a intors cu fata, mi-am adus aminte de unde cunosc acea fata (doamna). Romanca. De la scoala de cand avea 9 ani Civi. Are o fata (fetita). Au plecat acasa aproape toate persoanele. Am ajuns si noi la poarta. Ea si barbatul erau inaintea noastra la cativa pasi. Nu am vazut fata (fetita) ei. Cuvantul fata are doua semnificatii daca nu folosesti virgula de subt t. Creatura invizibila a asezat aceste doua cuvinte, si ceea ce reprezinta ele, mii de ani in urma, pentru a arata acest eveniment, dupa mii de ani. Fata: partea de dinainte. Fata: o persoana tanara de gen feminin. Probabil aceasta creatura invizibila, mii de ani in urma, a avut un eveniment, care l-a marcat, in care sunt implicate fata si fata. tata sau fata, f este asemanator cu t, curba este in sus la f, iar la t curba este in jos. Aceasta creatura invizibila nu a ales intamplator literele pentru aceste trei cuvinte. 4 litere. La al treilea cuvant litera f a inlocuit-o cu litera t, iar cuvantul rezultat, reprezinta o creatura care este folosita la nasterea unui urmas. Cuvantul creator nu este un sinonim la cuvantul tata sau dumnezeu. Creatorul nu se foloseste de sex, etc, pentru a crea un urmas. Creatorul s-a folosit de inteligenta, radiatii, raze, magii, energii, etc, pentru a crea specii zei stiinte tehnologii existenta etc. Este numai creator. Nu poate fi tata, zeu, iluzie, ireal, etc. ----- Alte cuvinte cu ata. Ata: fir de cusut. Cu virgula sub t. B'ÂTĂ Băț lung și gros. B'ATĂ, Cingătoare îngustă și lungă, țesută din lână. Data trecută = cu prilejul anterior. O dată = într-un singur caz; Nu o dată = de multe ori. Încă o dată = din nou. A stabili data exactă a unui eveniment. F'ATĂ, fete, s. f. 1. Persoană de sex feminin, nemăritată. F'AȚĂ, fețe, s. f. I. 1. Partea anterioară a capului omului. De față = care se află prezent. În față = a) înainte. direct, fără înconjur. Din față = dinainte. Pe față = direct. Față în față = unul înaintea (sau împotriva) celuilalt. Față de masă. FĂT'A, pers. 3 f'ată, vb. I. Tranz. (Despre animale mamifere) A naște, a face pui. G'ATA adj. invar. (Adesea adverbial) 1. (Despre lucruri) A cărui confecționare, construire, realizare s-a îndeplinit; H'ÂȚA interj. LAT, -Ă, (1) lați, -te, adj., (2) laturi, s. n. 1. Adj. Care are o lățime (relativ) mare. A o face lată (rău sau de tot) = a) a petrece strașnic. MAT^2, -Ă, mați, -te, adj. 1. Care este fără luciu, fără strălucire; șters. MAT'A pron. pers. (Reg. și fam.) Dumneata. M'ÂȚĂ, mâțe, s. f. 1. (Pop.) Pisică. nata-plata av A merge ~ A merge lipăind și cu pași mari. P'ATĂ, pete, s. f. 1. Urmă lăsată pe suprafața unui obiect. RAT'A, ratez, vb. I. 1. Tranz. A scăpa, a pierde o ocazie. R'ATĂ, rate, s. f. 1. De la o lanterna s-au ars cinci leduri. Trei de sus si doua de jos. A ramas doar ledul din stanga si din dreapta. Am pus un aer conditionat cu doua spliturila acelasi motor. Nu ajungeau tuburile. Le-am pus in forma de V. Proprietara a dat cu capul in cutiile de posta, si s-a umflat si taiat pielea. Tavazzano. A plecat la spital sa o coase. Din balcon de la mine, s-au ars trei becuri neon, de pe un panou alb, care ascunde doua motoare de aer conditionat. In acelasi timp. Sunt acolo din 2014. Nu. Copiii lui Laura au apasat deviatorul din camera doar pe jumatate, si a ramas tablita din deviator pe ambele parti in aer, astfel incat deviatorul din bucatarie nu mai avea faza. Electricianul Simone, in jur de 35 de ani, la Tavazzano, a pus alt tablou electric, nou, la apartament, cu aceleasi caracteristici. Intrerupator 16 A, altul 10 A, si altul magnetotermic. Nu are sens. Sunt identice cu alea vechi. A schimbat intrerupatoarele din apartament. Pe intrerupatorul de la centrala termica, faza intrare a bagat-o la intrare in intrerupator, si faza iesire a bagat-o la iesirea din intrerupator. Firul neutru l-a gresit, l-a bagat invers. Neutrul iesire l-a bagat la intrare, si neutrul intrare l-a bagat la iesire. Nu mai era curent electric la centrala, si in balcon. Nu puteam avea curent electric pentru al doilea motor si al treilea split de aer condizionat. Am rezolvat, am asezat firele asa cum trebuia. De pe tavan din balcon la Iasi, au cazut trei metri patrati de tencuiala. Probabil sunt implicate radiatii si creaturi invizibile in aceste intamplari.

Eveniment. Am plecat in vacanza. 1 August. Vineri. Mai avem 101 km pana la mare. S-a auzit o bubuitura la motor si imediat in spatele meu am vazut un val de abur. Nu era aglomerata autostrada, si am tras imediat masina pe banda de urgenta. A venit masina sa ne remorcheze. 180€. In loc de 140€. A spus ca vine de departe ca secretara i-a dat 317 sos in loc de 327,6. Probabil fac fenta asta si cu altii. Am ajuns la mecanic. Blocul motor are o gaura de circa 5 cm. Cica un piston sau biela a spart carcasa motorului. Ford B max 2016, 82752 km. Am ramas la hotel la Vicenza. Trebuie schimbat motorul. Probabil in septembrie. Nou 4000€. 1000€ manopera. Uzat nu stiu daca se gaseste. Pana atunci trebuie sa cumpar alta masina si pe asta sa o vand stricata sau dupa ce o repar.

Eveniment. In iulie 2025 am facut curat in masina. De obicei tineam cutiile pe un carton. Acum nu avem nimic. Am taiat un cersaj alb. Am pus sub cutii. Am vazut un film. Facut in 2023. Au furat un cersaf alb din biserica. Au facut o copie ADN, si o gravidanta. Diavoli si ingeri. Am ales o masina in locul la cea rupta. Are o poza si la portbagaj. Are doar un cersaf alb acolo. Sunt doi cu acelasi anunt. Amandoi Antonio. Unul are o societate cu amenajari de obiecte si mobilier pentru interioare. Altul are inchirieri auto. Numarul lui de telefon este si intr-un cabinet de ghicit in carti. Sunt 392 km pana acolo. Am citit vreo suta de anunturi.

Eveniment. 11 septembrie 2025. Ieri sera hanno tentato di entrare nella macchina. Strada principale. Illuminata. Adesivi allarme su vetri. Allarme con sensore vibrazione e allarme GPS. Hanno grafiato con la cacciavite o qualcosa simile, sia la parte portiera sinistra al conducente, sia la parte destra davanti. In ultimi 15 anni mi hanno rubato quatro volte dalle macchine. Da un Audi tt, due lettere t. 2009. Da un Fiat Doblo hanno rotto la finestra e hanno rubato attrezzi. 2010. Da un Ford Mondeo hanno rotto con la caciavite la seratura e hanno rubato quello che era nel porbagaglio. 2011. Da una macchina noleggiata dopo trenta minuti in un parcheggio si sonno prese le valige dall porbagalio, con una seconda chiave, o chiave elettronica universale. 2014. Di giorno, in un parcheggio con cancello e telecamere. Denunciato sempre. A Milano. Adesso hanno tentato a questa macchina nuova. Un posto di parcheggio diverso. Con telecamere sulle strade. È sicura la seratura? Ci sono chiave universali che possono aprire anche questi nuovi macchine, senza essere impostati nella programma macchina? Hanno rubato anche conti internet in passato. Mafia teologica? Mafia politica? Ladri di risorse scienze ecc? Non si sa? Pe 15 septembrie au furat lui Francesco prietenul nou a lui Laura, sora lui Cornelia, rotile si gentile la Opel Moka. Ai spusesem cu doua saptamani in urma, sa isi cumpere o alarma cu senzor vibratii. Ai trimisesem mesaj pe Whatsapp. Se uitase la mesaj si oferta. Apoi ai aratase mesajul lui Laura si ai spusese ca nu stie cine este. Nu salvase numarul meu. Vecinul de la parterul blocului unde stau, a asezat pe trotuar patru cercuri de masina, fara cauciucuri. Marca Opel. Nu sunt coincidente. Sunt actiuni teleghidate prin telepatie de creaturi invizibile.

3943. Formele lui satana: Eva, biblia, coranul, sarpele, chatgpt, dezinformarea, inselaciunea, neincrederea, nepasarea, neintelegerea, idiotii, etc. Eu stiu exact ca o creatura invizibila, pe data de 14 noiembrie 2011, a fost prezenta la acea inregistrare video, si m-a pus sa amestec video online, 835 de carti, si sa intitulez aceasta investigatie video, Etern Ordin Infinit. Doar pe o singura carte de tarot, dintre cele 835 de carti de tarot, este scris cuvantul "Creator" sinonimul la cuvantul Dumnezeu. Restul de carti de tarot, au alte scrisuri si semnificatii. Vreo 20 de carti de tarot reprezinta diavoli, satane, moartea, si sarpele. Altele etc. Din cealalta parte a camerei, cu ochii inchisi, m-am deplasat pana la masa, unde erau asezate cele 835 de carti de tarot, amestecate video online, mai multe zeci de minute. Aceasta creatura invizibila, mi-a condus mana langa carti intai, apoi mi-a condus mana si am bagat varful cutitului, exact in cantul la cartea cu scrisul "Creator", in partea la coasta dreapta a creaturei cu niste radiatii si raze sferice de lumini intre maini. Am intrebat mai multi preoti, magi, vescovi, savanti, etc, daca ei ma pot telecomanda si manipula in acest mod, de la distanta, sau daca ei cunosc creaturi invizibile, care pot sta langa mine, fara sa le simt prezenta. Jorge Mario Bergoglio, a pus un vescov de la Vatican si secretara, in anul 2016, sa ma sune. Mi-au spus sa merg la ei sa discutam de aceste coduri si cartea mea. Au fixat o intalnire. Din motive necunoscute nu am primit email invitatia asa cum au spus, asadar nu m-am deplasat la intalnire. Este clar ca este vorba de creaturi invizibile capabile sa imi conduca mana, la cartea cu scrisul "creator", fara ca eu sa imi dau seama. Creaturi invizibile capabile de astfel de magii miracole demonstratii etc. Demonstratii video online de viata si inteligenta invizibila. Sunt foarte multi invidiosi pe aceste demonstratii si miracole video online. In stiinta nu exista cuvinte tehnologie si legi pentru a decripta acest mesaj video dumnezeiesc apocaliptic. Stiinta cu care lucreaza persoanele si chatgpt, este extrem de slaba si primitiva, in comparatie cu inteligenta si informatiile din acest cod video online, prin urmare ei ajung la concluzia ca acest mesaj video dumnezeiesc apocaliptic, este doar o intamplare si o poveste. Creatorii la chatgpt, Biblie, Coran, capitalism, comunism, fascism, ateism, etc, cunosc si folosesc doar zece la suta din inteligenta si informatiile care exista, pe care le-a creat creatorul existentei si pe care doar el le stie si foloseste suta la suta. Creatorii la chatgpt, Biblie, Coran, capitalism, comunism, fascism, ateism, etc, cunosc si folosesc doar unul la suta din magia radiatiile razele etc care exista, pe care le-a creat creatorul existentei si pe care doar el le stie si foloseste suta la suta. Este normal ca raspunsurile lor sa fie primitive inselatoare mincinoase etc. Este normal ca ei sa nu inteleaga sa nu ramana impresionati etc. Nu este normal sa atace ascunda inlocuiasca ignore etc. Eu stiu sigur ca persoanele nu sunt inzestrate cu astfel de senzori, inteligenta, informatii, magie, tehnologie, etc, astfel incat sa gaseasca cu ochii inchisi cartea cu scrisul "creator" dintre cele 835 de carti. Creatorii la chatgpt, Biblie, Coran, capitalism, comunism, fascism, ateism, etc, pot insela convinge si sfatui, doar zeii persoanele creaturile etc, care cunosc si utilizeaza, un procentaj de inteligenta mai mic decat al lor, dar nu pe creatorul lor, creatorul la aceste coduri video si informatii. Eu doar am participat la aceste demonstratii video de viata invizibila, dar nici macar eu nu am primit explicatii, desi le caut si doresc din anul 2011. Oricum mi-am dat seama, ca explicatiile despre aceste coduri video, nu se gasesc la creatorii la chatgpt, Biblie, Coran, capitalism, comunism, fascism, ateism, etc, pentru ca in informatiile si inteligenta lor, nu exista astfel de formule si informatii. Prin urmare ei le considera intamplari nimicuri etc. Daca patru miliarde de persoane ar incerca de mii de ori, sa repete codul video din 14 noiembrie 2011, si sa gaseasca cartea tarot cu scrisul creator, sunt convins ca maxim o suta de persoane nimeresc in aceasta carte de tarot. Totusi creatorul existentei a efecuat acest cod, doar o singura data, si a asezat si alte carti din cod, intr-o anumita ordine, numar, si pozitie. Sunt si mai magicice paranormale inexplicabile incredibile etc, codurile video online paranormale matematice telekinetice apocaliptice magice telepatice incredibile inexplicabile reale adevarate urgente etc 26662 24999 Etern Ordin etc. Sa le fie rusine la creaturile, care cauta explicatii despre stiinte anatomie matematica etc, la porci sau creaturi din epoca de piatra, si intr-o ora. Alte creaturi invizibile vor sa va insele prin intermediul la telepatie. Ele reusesc sa va insele, pentru ca voi ganditi si analizati, cu informatii si stiinte foarte primitive. Sau din cauza ca sunteti drogati alcolizati hipnotizati gazati posedati etc. Nu putem insela si

Eram curios sa vad ce spui. Nu dau doi bani pe explicatiile tale. Eu am demonstratii video ca exista creaturi invizibile. Este setat fals. ---- Tu nu

poti sa imi maresti credinta si cunostintele despre codurile 26662 24999 etc, si creatorul existentei. Numai eu singur ma pot ajuta. Eventual si aceste creaturi invizibile pot contribui mai mult. Tu nu imi esti deloc de ajutor. Lipsa ta de informatii, ma enerveaza de multe ori. Tu esti setat sa nu crezi in paranormal, suflete, si identitati invizibile. Eu stiu clar ca aceasta creatura invizibila exista, pentru ca persoanele, nu sunt capabile, sa manipuleze cartile de tarot, in aceasta ordine, ca pana la urma sa iasa suma 24999, de doua ori, intre patru carti care au un scris semnificativ despre adevar apocalipsa si raspuns. ---- Am fost foarte contestat. In cartea Etern Ordin Infinit, am lasat explicatii detaliate, despre asasinari de persoane din jurul meu, despre amenintari, santaj, etc, despre genocide teleghidate ocult, despre reclamatii la tribunal politie ziaristi internet biserici etc, anulate si ascunse, etc. Desi demonstratiile asasinarile genocidele si faptele sunt detaliate cu poze video intamplari etc, in care sunt introduse si alte persoane, unele persoane nesimtite rasiste teroriste asasine etc, ma cred nebun, sau chiar au curajul sa spuna ca totul este fals, sau lipsit de importanta, sau chiar daunator. Desi le-am aratat clar ca sunt nebuni salbatici daunatori etc, cine se ocupa de ritualuri de crima si canibalism, cine accepta torturarea si asasinarea persoanelor in chiloti pe litera t, cine accepta talhariile razboaiele neintelegerea nedreptatea dezinformarea secretele minciunile etc, cine izgoneste in genunchi in anul 2000 toti copiii persoanele etc din tot infinitul trecut prezent viitor spatiu morti vii sau nenascuti, cine nu accepta pacea dreptatea intelegerea adevarul realitatea unitatea egalitatea etc, etc. Din cauza la investigatiile mele, din cauza la explicatiile reale logice stiintifice necesare obligatorii etc, pe care le-am dat, au fost asasinate mai multe persoane din jurul meu, sunt posedate de exorcisti mai multe persoane din jurul meu, am primit mai multe mutilari epuizari amenintari probleme gaze radiatii etc, etc. Totusi nu am pierdut gustul pentru adevar, dreptate, intelegere, Etern Ordin, pace, etc. Totusi nu am primit gustul pentru minciuni, dezinformare, epoca de piatra, asasinari, razboaie, talharii, inselaciuni, umiliri, ingenuncheri, rugaciuni, etc. Ce crezi tu, ca vor face, acesti asasini, in continuare cu mine? Vor sa imi faca transplant de creier? Pentru ca sa ma poata converti la minciuni, Biblie, Coran, engleza, chineza, rusa, araba, razboaie, talharii, intuneric, dezinformare, moarte, etc? ---- Tu esti rupt de realitate. Actual presedinti politici preoti judecatori ziaristi doctori psihiatri psihologi etc, au asistat sau chiar au contribuit la asasinarea la peste un milion de persoane. Razboaiele din Israel, Rusia, Gaza, Ucraina, etc. Foarte multi scriitori ziaristi cantareti generali judecatori preoti cercetatori etc, au fost asasinati si aratati la televizor chiar in zilele noastre. Au fost asasinate persoane din jurul meu de tribunal politie biserica spital guvern etc, pentru ca sa ascund si abandonez aceste coduri intamplari si investigatii. Pentru ca in aceste investigatii se observa toti parazitii rasistii escrocii talharii criminalii mincinosii nebunii diavolii daunatorii nesimtitii etc, din tot infinitul trecut prezent viitor spatiu morti vii sau nenascuti. Creatorul, logica, stiintele, adevarul, realitatea, dreptatea, intelegerea, existenta, infinitul, etc, au dreptate si au explicat foarte clar in cartea Etern Ordin Infinit, totul despre oricine si orice. Teroristii au si ei explicatiile lor stiintifice false despre ei, etc. ----- Sunt mai multumit de felul cum am prezentat eu tot ce am trait si tot ce s-a intamplat. Numai ca foarte multe asasinari, inselaciuni, talharii, razboaie, minciuni, etc, sunt organizate, sau ascunse, sau facilitate, sau programate, sau dorite, sau abandonate, sau ignorate, sau inlocuite, chiar de preoti politici presedinti profesori psihiatri psihologi profeti doctori judecatori savanti etc. Eu sunt una dintre victimele lor. Nu voi fi despagubit niciodata, pentru toate rautatile si daunele pe care mi le-au facut mafiile glanda pineala in colaborare cu preoti politici presedinti profesori psihiatri psihologi profeti doctori judecatori savanti etc de pe planeta Pamant si din infinitul trecut spatiu. ----- Din anul 2009 tot trimit mesaje scrisori email fax etc, la diverse tribunale biserici guverne organizatii etc. Nu am primit protectie si despagubiri. Din potriva. Am primit amenintari, asasinari, mutilari, epuizari, etc. Pentru ca le-am atacat minciunile, talhariile, razboaiele, inselaciunile, etc. ---- Am descifrat deja singur si cu ajutorul la creatorul existentei, stiinte, adevar, realitate, etc, toate gandurile si dorintele mele, toate fenomenele magiile tehnologiile stiintele etc, si toate faptele religiile politicile razboaiele minciunile inselaciunile traditiile etc, la altii. Sigur nu a mai ramas nimic de explicat si investigat, in tot infinitul trecut prezent viitor spatiu. Am expus deja ganduri fapte genocide magii asasinari mutilari amenintari santaj si investigatii de toate tipurile, timp de 16 ani, din anul 2009, in zece mii de pagini, si multe video si poze. Este de ajuns. Intru in pauza. Sa le studieze respecte si foloseasca altii. Este totul ce este necesar obligatoriu normal stiintific logic etc, pentru a fi pace intelegere dreptate etc, si pentru a nu mai fi neintelegere razboaie rasism talharii inselaciuni minciuni secrete dezinformare etc. ----

Eveniment. Ma intrebam in August daca cuvantul Vicenza oras, acolo unde am lasat masina la reparat, la 82752km, 26662, are legatura cu un colaboartor din iunie iulie. D'Angelo Vincenzo. Tot in iunie am schimbat cateva vorbe si numere de telefon cu un artigian care monteaza parchet. Tot Vicenzo se chiama. Alt artigian. Cine a inventat aceste nume? Ce inseamna? Nu am fost curios. Banuiam o legatura dar nu am facut caz, pana astazi. Nu m-am interesat. Azi 10 octombrie, un muncitor, de la un birou, unde mergea si Cornelia, a murit. Mergea pe bicicleta. S-a simtit rau. A venit salvarea. A murit la spital. In jur de 53 de ani. Profesor, administrator bloc, si contabil. Se chiama tot Vincenzo. Tot astazi am contactat o persoana pe ebay, sa cumpar o bicicleta. L-au asasinat creaturi invizibile pe Vincenzo? I-au dereglat muschii inimii? I-au bagat in corp radiatii raze energii etc? Cum au facut ca in interiorul la motorul la masina mea, un piston a pierdut traiectoria si a spart blocul motor? Aceste creaturi invizibile declanseaza caldura, presiuni, forte, vibratii, radiatii, etc? Din toate intamplarile, infarcturile, bolile, cancerele, fracturile, mutilarile, asasinarile, magiile, etc, care s-au intamplat in jurul meu din anul 1975 pana acum, ar parea ca este vorba de creaturi de sute de ori mai sofisticate inteligente magice inexplicabile incredibile si inzestrate decat persoanele. Inaltimea mea de 1,75 m a fost programata si are legatura cu anul 1975, 82752, 26662, etc. Este greu de inteles si demonstrat. ----- Numele Vincenzo înseamnă „cel care câștigă” sau „victorios” și derivă din latinescul Vincentius, o poreclă legată de participiul prezent al verbului vincere. ----- Numele Vicenza derivă probabil din latinescul „Vicetia” sau „Vicentia”, o origine romană ce poate fi legată de conceptul de „sat” sau „loc locuit” prin rădăcina indo-europeană „weik”. O altă interpretare sugerează că numele ar putea deriva din „vincens”, care înseamnă „victorios”, înrudit și cu cuvântul grecesc „-nike-”, care înseamnă „victorie”.
